THREE of the four Dorset Intermediate Cup quarter finals took place today and this one went in favour of the home side and quite convincingly in the end.

It was a breezy afternoon at Whitecliff Rec, located on the edge of Parkstone Bay and the temperature was mild considering the time of year. The distant Purbeck Hills could be seen across the other side of the water giving hope at the start that the rain might keep away – but, think again!

Town kicked with the wind in their favour in the first half and both sides struggled a bit to make an impact with Counter for the visitors striking the home bar with a 25-yard shot. Lower Parkstone's Collins had successive efforts at goal blocked following a corner. When Town's Langdon got a touch to a long keeper's drop-kick, Upfold shot wide. LPCFC took the lead on 39 minutes when Armour put in **Webb** on the left and his low shot went into the far corner. Langdon had a shot blocked after a Town corner got through to the far post. Steady but wind assisted rain had commenced before the interval and this continued into the second half. HT: 1-0.

Webb nipped in to receive a Hicks pass and knocked it over the keeper but it also cleared the bar. Collins had two efforts cleared by Town defenders on the line following a corner. A second goal for the home side came when Baker smartly back-heeled the ball into the path of **Armour** who hit it firmly from 25-yards and in off the inside of the post. Gould and Counter combined for Portland and the latter's shot deflected off the legs of keeper Goodall for a corner. Edgar's flag-kick was aimed at the near post where **Counter** reacted well to steer the ball home. LPCFC soon re-opened the two-goal margin though when Baker launched a free-kick from wide left to the far post and **Hicks** headed home from close range. Armour and Baker passed well down the left and it went into the Town box but, despite some scrappy play there, their goal survived. Langdon tried to get his side back in it with a low shot that Goodall spilled but he was able to recover. LPCFC netted their fourth when sub Cordial's corner picked out the unmarked **Harrison** in the box and he superbly turned and volleyed home. The score became 5-1 with time running out when **Hicks** launched the ball forward from deep in his own half and it was one of those that caught out the keeper and bounced over him and just inside the post for a wind assisted 65-yard effort! With both sides down to ten players, there was one final goal when Webb tried to keep the ball in close to the dead-ball line and was tripped unnecessarily by Higgins which brought a penalty which **Fieldhouse** <sup>[pen]</sup> duly despatched into the corner for a resounding 6-1 home victory.

It was a shame that two players failed to be on the pitch at the final whistle as, in the 88<sup>th</sup> minute, a heavy tackle by Town's **Upfold** produced a retaliatory reaction from Lower Parkstone's **Ellaway** and both players were shown the red card. It wasn't that sort of game but the referee had little option. It was a fully deserved win for LPCFC. [Gary Day]
